

www.pharmacomplianceforum.org

For more than 20 years, PCF has been exclusively dedicated to the advancement of the pharmaceutical and biotech compliance community through networking, education and best practice sharing.

Demonstrated value & benefits of Company Participation in PCF:

- New company members receive a \$500 discount off first year's membership dues
- Full member benefits for all company employees in the compliance & legal profession

Our Meetings.....

- Meetings are closed door allowing for transparent and frank discussions on topics of interest and compliance best practice sharing amongst our members only.
- Exclusive invitation to our members only annual meeting priced well below the market rate of similar events
- Complimentary Fall 1-Day Regional Meetings offered in a casual informal setting to promote greater best practice sharing and networking opportunities.
- Discounted registration to the PCF Sponsored Pharma/Med Device Compliance Congress each year, a nationally recognized event for legal and compliance professionals

Our Resources.....

- Formalized member benchmarking surveys with detailed analysis reports throughout the year
- Access to COVID benchmarking surveys to provide valuable insights and learnings as to what other companies are doing to manage through the pandemic
- Access to a searchable database for all benchmarking conducted with key word search capability to gauge efforts compared to peers- *In process*
- Access to our Members Only website to view previous meeting presentations, materials and benchmarking surveys
- Access to our member database to network with fellow members and companies
- Co-Chair leadership opportunities for employee professional development
- Complimentary job postings on our PCF website for opens positions. A superior recruiting tool. Non-participating companies pay \$600 per posting.
- Special PCF Member discount on subscriptions to Life Science Compliance Update

**Come join our compliance professionals and legal counsel members
